As per Conference norms all registered papers in SCESM 2017 will be published in one of the following Journal

- International Journal of Control Theory and Applications (SCOPUS Indexed)
- International Journal of Applied Business and Economic Research (SCOPUS Indexed)
- International Journal of Economic Research (SCOPUS Indexed)
- International Journal of Control and Automation (SCOPUS Indexed)
- International Journal of Multimedia and Ubiquitous Engineering (SCOPUS Indexed)
- International Journal of Software Engineering and Its Applications (SCOPUS Indexed)
- International Journal of Security and Its Applications (SCOPUS Indexed)
- International Journal of Hybrid Information Technology (SCOPUS Indexed)
- International Journal of Smart Home (SCOPUS Indexed)
- International Journal of u- and e- Service, Science and Technology (SCOPUS Indexed)
- International Journal of Database Theory and Application (SCOPUS Indexed)
- International Journal of Computer Science and Information Security (Thomson Reuters Indexed)
- International Journal of Advanced and Applied Sciences (Thomson Reuters Indexed)

Considering your academic scholarship, research accomplishments and organizational competencies, we take the opportunity **to invite you to organize and conduct a special session** on your chosen area of expertise, in any of the track related to its theme in **SCESM2017**.

As the Chairperson / Convener of a Special Session, you will primarily be responsible for promoting your session, releasing Call for Papers (CFP), inviting papers, getting them submitted through the conference link <http://scesm.org/2017/special-session.html>

Please mention Correct Session name while submitting your paper online. the online paper submission facility of the conference available at <http://scesm.org/2017/special-session.html> and selecting at-least **10 quality papers**, after carrying out the due review process.

The presentation of the papers under your special session will be scheduled on the venue of the conference, as per your convenient slot, on any of the two days during the conference. For your Special Sessions, you will be free to form your own Technical Programme Committee(s) having Session Chairman, Convener and other members, which along with the Session details and organizational logo, if required, will be publicized through our web-portal.

As a gesture, we will be pleased to extend you a free registration to attend the conference. In fact, as a Chairperson/Convener of a Special Session, you will be part of the core working group for the successful execution of the Conference. Also, you will be paid a 15% amount of the total registration fee submitted in your special session as honorarium for your contribution to the conference.

You are invited to submit your proposal (Performa Attached or may be downloaded from the link <http://scesm.org/downloads.html>) by sending email on scesm2017@gmail.com, at the earliest, but not later than **15th November 2016.**

To acknowledge the efforts of Special Session Organizers, **Best Special Session Organizer Award** will be given during the Conference. The selection criteria will be the number of papers invited, and finally registered for the conference.

Let us collaborate and work together for more meaningful and professional outcome. Please feel free to contact us for any clarification, if required.

Thanking you with warm personal regards,

Program General Chair - SCESM2017
